

Le Mahe Similans Information Pack

Le Mahé is a small yet comfortable liveaboard boat specially designed for liveaboard diving. At 22 metres in length and 5.2 metres in beam she carries up to a maximum of 14 guests providing a cosy and personal atmosphere. In 2007 Le Mahe was completely refurbished. The new look is very modern yet retaining all its original comfort.

Onboard Interior

The roof top saloon "chill lounge" is a shaded peaceful area where divers can relax by watching a DVD or taking a nap on 4 metre long mattresses. There is also a large sun deck for those who enjoy catching some rays!

The dining area includes a friendly service counter and coffee corner. All meals are freshly cooked on the boat and are a mixture of Thai and Western style buffet. Meals are served in the dining area. Snacks are also available in this area all day long.

The Cabins

The vessel has eight spacious cabins with either queen size double beds or twin bed cabins. All cabins are en suite with hot water shower and also have individually controlled air conditioning, TV/DVD and a mini-bar. The six cabins in the medium deck also have their own private balcony, two meters long and eighty centimetres wide. This is a great place to relax and read a book whilst sitting right on the edge of the sea!

General Info

Dive groups have a maximum size of four people for each dive guide. All guides are professionally trained divemasters who are dedicated to the cause. Their aim is to give everybody a holiday of a lifetime in one of the most beautiful National Parks in the world!

Dive Sites Visited
